

Excellencies & Executives Dinner 2022

Thursday 31 May 2022 - WTC The Hague

The Netherlands hosted the Global Entrepreneurship Summit 3 to 5 June 2019 in The Hague. To enhance the output of the GES summit a conceptual model was created to boost cooperation through entrepreneurship by means of an Excellencies & Entrepreneurs Dinner.

This concept of interaction between diplomats and senior executives was a splendid success. Following up from this, annual Excellencies & Executives lunches and dinners are being organised in several countries.

On **Thursday 31 May 2022** the event returns to The Hague for which the ambassadors of **Brazil, Georgia, Japan, Kenya, Mexico, Rwanda, Singapore, Tanzania and Thailand** confirmed their presence as our guests of honour.

Program

- 18:30 Reception of excellencies and executives, aperitif.
- 19:00 – 20:00 3-courses lunch with interactive sessions between Ambassadors and Executives.
Each table will be headed by one of the ambassadors. After an introduction about the current situation and business opportunities in their country, the ambassador will moderate the discussion between executives about their experiences and questions.
- 20:00 – 21:00 The executives will shift to another table of their choice. The previous cycle of information exchange will be repeated.
- 21:00 – 22:00 Free seating & informal networking

The Excellencies & Executives Dinner is an initiative of the International Business Development Academy (www.ibda.eu), ProtocolToday (www.protocoltoday.nl) and their international partners.

The Excellencies & Executives Dinner takes place in accordance with all Covid 19 prevention guidelines.
